SUBJECT: 2016-2017 National Second Vice President Program

Increasing membership will be the goal of the Second Vice President's Program for 2016-2017. Remember, there are many membership possibilities in one family. Always carry a membership application with you. **Encourage your members to renew their membership early so that your Unit can receive a National Citation for 100% membership as of December 31, 2016.**

We will continue the new member incentive program (Unit-level only). For every five (5) new members recruited, a \$10.00 check will be issued to the individual who signs up the five new members. The Department Second Vice President should encourage the Unit Second Vice President to set up a membership program.
