

Rev. Msgr. Edward J. Coyle
National Chaplain
Board Report --March 2017

In November I attended the Veteran Day ceremonies at Arlington National Cemetery with the other members of the Catholic War Veterans. I attended our Board meeting and provided the opportunity for mass each morning.

I advised the Commander when she sought advice or counsel on issues or legislation.

Over the past months I responded to various questions concerning membership in our organization. I conducted funerals in Pennsylvania for deceased members.

I wrote an article encouraging members to plan to attend the Veterans Day activities at Arlington in November.

I corresponded to various posts throughout the country on various issues and letters of congratulations.

Also, responding to questions from the National Convention on the role and protocol concerning the local Bishops who might attend the convention. I'm also planning the liturgies for the week of the convention with Karen.

Presently, I am receiving the nominations for those members eligible for the Honor Legion of the Order of St. Sebastian. Nominations are due in March.

Be assured of my continued daily prayers.
